

Do - It - Yourself

Scratch Art

Supplies Needed:

Paper
Crayons
Black Acrylic Paint
Paintbrush
Toothpicks
Dish soap

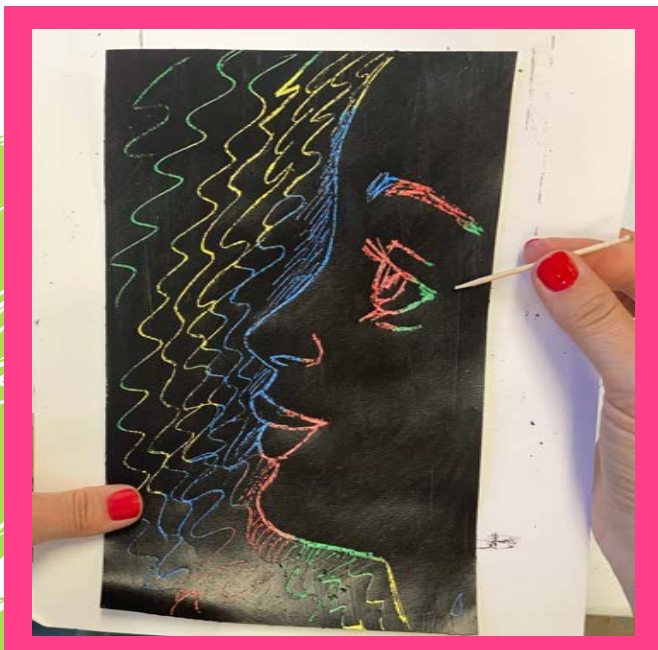

- 1. Color your entire sheet of paper with crayon colors! Make it nice and waxy!**
Tip: use a firm, smooth surface underneath your paper to get the best results

- 2. Open your black paint, squeeze a few drops of dish soap in there, and stir!**

- 3. Paint a thin, even layer of black paint over the entire surface of the paper, then let it dry completely. Use a hair dryer if you can't wait!**

- 4. Use your toothpick to scratch a drawing or a pattern onto the surface of the paint. Reveal the cool colors below!**
